

CLASS DESCRIPTION: The Gambler's race is open to all 2-wheel motorcycles and snowmobiles. 3-wheel or 4-wheel vehicles are prohibited.

FORMAT: This is a 1/4 mile E.T. bracket class run on a .500 full tree. This class is limited to a 32 bile field, and is first come, first serve until sold out on Fridays. All bikes must be 15.99 & quicker.

POINTS: This is not a points class.

GENERAL: A rider may only enter one bike in this class. The same bike cannot be entered twice in this class by the same rider or another rider.

CHANGING BIKES: A racer can change his or her bike in time runs, qualifying, or before 1st round (You must notify the tower of change). The bike and rider that runs first round is the one that must be used for the remainder of eliminations, even if the class is completed on another weekend due to weather.

PAIRINGS: During eliminations, once you have entered a particular side of the staging lane and come to a stop, you are committed to that side and cannot jump to the other side or move around someone. The bye-run will be pulled with a deck of cards even if there is an even amount of bikes to shuffle the order. Bikes will be run side by side in the lanes. If we run out of bikes in one lane, then they will be run front to back with the front bike having lane choice. No rider can receive 2 true bye runs unless everyone remaining in eliminations has received 1 true bye run. Once we get down to 16 bikes or less, the class will be placed on a sportsman ladder based on reaction time from the previous round. Once the ladder is generated, lane choice is given to the rider with the better qualifying position. A new ladder will also be generated once the Top Sportsman winner merges into Pro ET.

BRAKES: Front and rear brakes are mandatory and must be in safe operating condition.

CHAIN GUARDS: Chain guards are required.
