GENERAL: A rider may enter as many bikes as he/she wants in this class. Each bike must have a different bike number.

Pants and jacket are not required to be zipped together. Nylon or textile jackets and pants are not permitted, even if they have pads. All jackets and pants must be made of 100% leather. No ballast may be mounted to any portion of the front suspension, brake system, fender system, or rotating assembly.

Anyone caught racing underage without a valid state driver's license will be disqualified with no refunds, and you can be suspended from the XDA indefinitely.

CLASS BIKE RULE: Any class bike that has shown their time in the last 12 months cannot enter this class. Any dispute regarding a bike's eligibility to enter this class will be made by the event director.

TIMESLIPS: In the event that there is a time slip printer failure and you need to pick up your time slip in the tower, only the rider whose name is on the tech card may pick up the timeslip and they must bring their ID to the tower with them. BRAKES: Front brakes are required.

CHAIN GUARDS: Chain guards are required.

GROUND CLEARANCE: The motorcycle must have a minimum of 2" ground clearance with rider sitting on the bike. Bikes equipped with a billet flat oil pan (not cast) or a wheelie bar are exempt from the 2" ground clearance check.
